## NO-SEW FLEECE BLANKET INSTRUCTIONS

You will need:

Fleece: 1 1/2 yards for each blanket.

Scissors and Ruler or Rotary Cutter to measure and cut.

### STEP 1

Trim off selvage edges and square uneven edges if needed.

### STEP 2

Cut a 4" square from each corner of the fleece using the 4" x 4" pattern enclosed.

### STEP 3

Cut 1" strips around entire blanket using the 1" x 4" pattern to create fringe.

### STEP 4

Tie a knot in the middle of each strip to finish fringed edge.  
\*Do not tie the fringe too tightly or at the base of the fringe.  
Do not tie two pieces of fringe together.
